Dear Applicant,

Thank you for your interest in corporate membership with the West Virginia Automobile Dealers Association.

The West Virginia Automobile Dealers Association has been in the business of representing West Virginia franchised dealers since 1933 and we are extremely proud of our history. Part of the success of the Association is due to the support of organizations.

After your application for corporate membership has been approved by the Board, you will be entitled to many benefits, which include the following (we have included a formal outline of services we provide on the next page):

- Publications - The WVADA monthly newsletter, legislative bulletins and our quarterly *WVADA News* magazine. As a corporate member you can advertise in our quarterly magazine that is distributed statewide to every dealer, associate member, and subscriber.
- Conventions and Meetings - As a corporate member you are invited to participate in our Annual Convention and any other meetings that are not solely for the franchise dealers. Our conventions offer a relaxed atmosphere to mix and mingle with our members.
- Vehicle Registration Reports - These reports are offered on a monthly basis to only member of the Association. A copy of the report will be sent to you free of charge as a new Corporate Member. If this is a document you find useful, you may order it annually for a reduced fee of \$200 for the first report/county and \$150 for each subsequent report/county. That amount includes the report for the entire year.
- Legislative Representation - WVADA works very closely with your industry representatives in the legislative arena to ensure fair representation while forging a strong relationship.
- Member Directory – Each corporate member is assigned a password to receive access to our online dealer directory

Member dues for corporate members are \$2,500 annually and we will send you an invoice each December for the upcoming year. **This entitles your company to 12 separate locations.**

Our hope is that the West Virginia Automobile Dealers Association will become your source for any information you may need relating to the automobile and truck industry.

Sincerely,

Jared W. Wyrick
President
