What is WVCAR? WV CAR is your state political action committee. Our goal is to fund pro-business candidates for state offices. It's up to us to help those that share our values and views when making laws that we must live with...Those that do not share our views and values contribute millions of dollars to elect those that are opposed to business, tax reforms, tort reforms and many other issues that impact the way we do business. By contributing to WVCAR you are ensuring that the voice of the automotive/business community is heard and supported by our state representatives. Without the support of the pro-business candidates we would not have achieved the **DOC Fee increases**, the **elimination of the B&O tax on new vehicles**, or one of **the strongest franchise laws in the country.**

We must make every effort to support those candidates that seek to protect the investments that have been made by the businesses of West Virginia by supporting their candidacy through campaign contributions. Support those who support your business by making your WVCAR contribution TODAY!
